BPP builds careers through education. It believes in progress for everyone. It assists learners who want to develop and business partners that strive for growth. BPP has been helping build careers for over 40 years and is a trusted partner of organisations worldwide. This includes 90% of FTSE100 firms, 4 of the top 5 UK banks, 60 leading law firms and 8 of the top 10 professional services firms.

BPP works in partnership with employers and respected professionals in law, management, accountancy, insurance, banking, digital skills, technology, nursing, healthcare and more.

Similarly, Bankbrokers is a responsible and trusted business that delivers high-quality services with professionalism and care. It goes beyond benchmarking banking and merchant services costs to supply the best independent support to clients, such as BPP. This is achieved through in-depth knowledge of the markets and fair price benchmarking data regarding banking and merchant services costs. Also, a team of market experts with extensive experience working with FTSE100 firms and some of the world's largest brands provide comprehensive benchmarking capability and knowledge of banking providers and services.

Bankbrokers were appointed by BPP to review banking arrangements, including merchant services. The exercise was conducted efficiently and produced positive benefits whilst maintaining a strong relationship with the service provider.
